

ABUSE AND MOLESTATION POLICIES

NATIONS BASEBALL ABUSE & MOLESTATION POLICY

Nations Baseball sanctions teams and provides rules for league and tournament play. NATIONS does not organize teams, select or approve coaches, players or volunteers for these teams.

Nations Baseball strongly recommends that all parents of youth participants, as well as league officials, thoroughly check into the background and character of anyone (coaches, volunteers, or other individuals) that has contact with any minor participant or volunteer of their team or league.

ABUSE & MOLESTATION REPORTING & RESPONSE POLICY

Nations Baseball does not in any way allow or tolerate the abuse of children. If you know or suspect any child abuse (including sexual abuse or molestations) you must report it immediately to Nations Baseball at (877) 259-1150.

Nations Baseball will conduct an investigation, keeping the safety of the children as the first priority. Knowing of instances of abuse and not reporting them may be grounds for dismissal and may result in legal liability. Nations Baseball will then notify the proper authorities regarding the allegations.

Nations Baseball has the right to immediately suspend the accused party from participation in any Nations Baseball activity pending the outcome of the investigation.
